ENVIRONMENTAL POLICY STATEMENT

1. GM Decorating Ltd recognise its responsibility towards its clients, employees and the community at large and will pay close attention to the treatment and disposal of any hazardous toxic materials to avoid environmental problems.
2. Wherever practicable, we will utilise materials and products, which originate from sources which are sustainable, reusable or can be recycled and are established to be environmentally sensitive.
3. We will pay particular attention during our activities to the emission of pollutants, reduction of noise, dust, dirt and toxic treatments taking the most stringent precautions to avoid health hazards and ensuring that the impact on the environment is minimised.
4. We will continue to develop an environmentally aware approach within the Company recognising that sound management of energy and resources can cut costs and create competitive advantages.
5. We seek to employ caring people, promoting a sense of responsibility towards the Environment within their working role as well as in their home situations.
6. We will practice environmentally caring policies in our use of premises, promote energy efficiency and sound, environmentally sensitive practices.
7. We are certified with Dulux Environment Agency Can Recycling Scheme, and as such follow their procedures in paint recycling and disposal.
