Dear Liam,

Following our recent discussions I have pleasure in providing the following trade profile on G M Decorating Ltd.

G M Decorating Ltd have held an account for the purchase of paint and decorating materials with ICI Paints AkzoNobel for over ten years.

During this time we have seen a steady, continuous and significant increase in their business. They have shown loyalty to Dulux and Glidden brands and have worked closely together with our Specification Managers and Business Development Managers to help increase and grow their business and turnover.

They have also worked hard to achieve and maintain the status of "Contract Partner" which is an ICI Paints AkzoNobel contractor accreditation scheme. This is designed to ensure the contractor works to best practice and operates throughout their business in a safe and professional manner.

We have always found them to be prompt with payments and cooperative in all matters. They are in our opinion, a professional and well respected business.

I hope you find the above useful and if I can be of any further assistance please do not hesitate to contact me again.

Yours sincerely
